WELCOME TO SOUTH VALLEY PREP!

The administration and staff are pleased to welcome you and your child to South Valley Preparatory School! We are looking forward to having your child(ren) in our school this year. We have a bright and exciting school year ahead of us. We want you to know that we care very much about your child's education and will strive each and every day to give them a safe learning environment. We are completely committed to your child's well-being. Your child contributes to our school and their class in many special ways!

Along with teachers and administration, parents are the driving force in their child's lives. Please show your concern by asking your child(ren) about the school day and making sure assigned homework is completed and returned to school. Watch for monthly newsletters and other forms of communications in your child's backpack nightly.

We hope that you will read, review and discuss this handbook with your child and consult it as a reference. Not every contingency has been covered; policies and procedures may need to be changed from time to time to fit new circumstances. Nonetheless, it provides guidelines meant to produce a community in which we can grow and learn together. If you have any questions about school policies, first contact the teachers. If your concerns remain unresolved, please contact the administrator.

Again, we look forward to having your child in our classrooms this year. If you have any questions or concerns, please do not hesitate to call us at school (505) 222-5642. You can also email each teacher if you would like. We check our email every evening and will reply as soon as possible. Each teacher's email address is found on the second page of this handbook. The teachers all have their own website that is updated on a weekly basis for you and your child to keep abreast of what is happening in the classroom. Please try to check the website on a weekly basis with your child. Instructions on how to get to the appropriate teacher will be at the bottom of this page. Again, welcome back to a brand-new school year!

THIS IS YOUR SCHOOL, and we are proud that you choose our school for your child!

Sincerely,

SVP School Administration

MISSION STATEMENT

The mission of South Valley Preparatory School is to provide a small, safe, and unique family learning community where students are prepared for high school and beyond.

The South Valley Preparatory School staff works diligently to support a family learning environment. We believe that all students can learn and that all students have the right to a quality education. At South Valley Prep, we support the academic, social, and emotional growth of each child. In addition, we support the learning, growth and cultural identification and self-determination in a variety of ways. Our goal is to ensure your child will be successful beyond middle school in all aspects of life.

CORE BELIEFS OF SOUTH VALLEY PREPARATORY SCHOOL

1. We will provide a small and safe learning community that sustains and maintains a sense of belonging for each student to ensure that all children have the equal opportunity to learn.
2. Students will loop within the same strand and with the same core team of teachers from 6th through 8th grade for certain content subjects. This will allow the core teachers to build upon and integrate content instruction for the same students each year while establishing and maintaining authentic relationships.
3. The school administration and homeroom teacher will work together to facilitate Advisory where students are able to address any academic, social and/or emotional needs as a group as well as individually.
4. Both teachers and students will have multiple opportunities to integrate technology through teacher instruction and student projects.
5. Students will receive explicit reading instruction based upon homogeneous grouping in 6th, 7th, and 8th grades.
6. Through a collaborative effort with our community partners **ALL** students participate in some sort of Service Learning throughout the school year as part of our Health and Wellness initiative. These opportunities are often implemented through weekly field trips that include working at our local community farms.
7. Develop and maintain authentic personal relationships between the teacher and student as a means of validating the importance of culture, identity, self-advocacy, and self-determination in a cooperative learning setting.

STUDENT EXPECTATIONS

WORK HABITS

Students are expected to be prepared for and participate in each class, do their best to reach individual academic growth standards, have the necessary class materials, complete classwork, and homework accurately and on time, and be prepared to participate in state and school assessment tests. Students are expected to be at school on time and attend school on a full-time basis.

RESPECT FOR SELF AND OTHERS

The behavior of an individual should not interfere with the rights of others. This includes the use of appropriate language, actions, and attire. In addition, students are expected to:

- Be honest
- Behave with dignity
- Treat others with respect and courtesy
- Refrain from harassing/bullying others as both of those behaviors will not be tolerated at South Valley Prep
- Come to school free from the influence of tobacco products, alcohol, or drugs, and without the use or possession of such substances
- Exhibit appropriate behaviors that do not offend or distract others at all time

RESPECT FOR THE SOUTH VALLEY PREP COMMUNITY

Respect is a two-way street! The whole community is responsible for compliance with all school policies and all state and federal laws. Everyone in the South Valley Prep community, students, and staff alike, are expected to be respectful to one another; while on all school-sponsored activities, both on campus and off campus, while participating in all athletic events; and while traveling on school buses and participating in school-sponsored field trips. This includes while enroute to and from school. The South Valley Prep community is expected to treat all property, personal, school or others' belongings with care and respect.

SAFETY

Students are expected to contribute to a safe school environment free from fear. Acts of violence and possession of weapons and contraband are never acceptable. To report safety concerns please contact school administration at (505) 222-5642.

NON-DISCRIMINATION STATEMENT

South Valley Prep does not discriminate on the basis of ethnicity, gender identity, religion, race, color, national origin, sex, sexual orientation, mental or physical disability, marital status or pregnancy, or on any other legally-protected basis, in any program or activity of, or sponsored by, South Valley Prep.

The procedures set forth in this section shall be available to anyone who believes he/she has been harassed or discriminated against on the basis of any of the categories described above.

Internal Complaint Procedures

A student or parent/legal guardian is encouraged to resolve concerns first with the student's teacher. This will enable the teacher to take appropriate action to resolve any concerns promptly. If the teacher is unable to address the concern, the student or parent/legal guardian are encouraged to seek assistance at the next highest level, the principal. The principal is the person responsible for receiving oral and written reports of harassment

and discrimination. A student may also talk with his/her parent(s) or legal guardians so that they can inform the school of inappropriate behavior. Any school personnel who receive a report of harassment or discrimination shall immediately inform the principal. If the complaint is in regards to the principal, the South Valley Prep Governing Council must be contacted.

Who May File a Complaint

Any student, parent, or legal guardian on behalf of his or her student who believes she/he has been discriminated against. These procedures do not deny any student, parent, or legal guardian the right to pursue other avenues of recourse.

How to File

Contact the South Valley Prep principal or, in the case of complaint relating to the principal, the President of the Governing Council, to report prohibited conduct. A Complaint must be filed within 30 calendar days from the last day of alleged discrimination, unless the time for filing is extended by the principal or Governing Council for good cause. All inquiries and internal complaints filed are CONFIDENTIAL to the extent applicable law allows. Confidentiality also applies to the inquiry and investigative process of all investigations conducted by the South Valley Prep administration. The Complaint will be timely investigated by the Principal and/or Governing Council representative, with report and possible disciplinary action thereafter. Retaliation against an individual making a complaint will not be tolerated.

Please see Appendices for Title IX complaints/processes.

BLACK EDUCATION ACT-HOT LINE

The State of New Mexico Anti-Racism, Anti-Oppression Hotline was established as a requirement of the Black Education Act, passed in the Legislature's 2021 New Mexico General Session. Students, families, and community members can report school-based incidents of racism, injustice, or discrimination against anyone. See also the School's anti-discrimination policies/procedures.

To report an incident to the Hotline:

Call (833) 485-1335

Email ARAO.Hotline@state.nm.us

Fill out the online form at [bit.ly/ARAO hotline](https://bit.ly/ARAO_hotline)

ADMISSION

For information concerning enrollment or the lottery process, please refer to the Admission Section of our SVP website (<https://southvalleyprep.org/admissions/>). SVP does not discriminate against any student based on race, gender, gender identity, religious affiliation, national origin, ethnicity, physical or mental disability, or sexual orientation. The school is nonsectarian in its programs, admission policies, and employment practices.

REGISTRATION/ENROLLMENT

Registration is completed or updated each year to ensure that all information is current on each student. All the following information is to be completed as part of the enrollment process. Failure to provide the required information may delay or result in a student not being officially enrolled at SVP, jeopardizing his/her place at our charter school where space is limited. Consequently, at the time of enrollment please provide the following completed forms:

- enrollment forms
- emergency information forms
- health/medical consent forms
- immunization records
- free and reduced lunch forms (if applicable)
- copy of birth certificate
- custody orders (if applicable)
- Early Dismissal Release form
- Language Usage Survey
- Student Dental Examination Verification Form

Please note that according to state law, all students must be in compliance with state immunization requirements, be in the process of receiving the immunization series, or meet exemption criteria before starting school. Exemptions are permitted for medical reasons or due to the conscientiously held beliefs of the parent/guardian. Proof of an exemption must be provided in lieu of immunizations records to be allowed to enroll. In addition, state law requires that students enrolling at SVP receive an annual dental exam, or a parent/legal guardian written waiver of this requirement; see Appendix for the SVP dental exam policy and forms.

Once all applicable forms are completed and returned to the school, your student's registration will be deemed completed and you will be notified when he/she is officially enrolled. Please contact the office as soon as possible with any change of address, contact information, emergency information, custody modification orders or phone numbers.

PARENT CUSTODY

When parents are separated or divorced, it is recommended that the school be provided with a signed and certified court order defining custody and visitation rights. When parents have joint legal custody, each parent has the right to access and to receive copies of school/student records and information, to attend conferences, and to be informed about the student's welfare, educational progress, and status.

The custodial parent(s) are responsible for:

- providing a copy of the signed and certified court order to the school; and
- providing the school with any revisions/updates to the court order that affect custody, visitation, or student record-access rights.

The school is responsible to:

- maintain a copy of the relevant sections of the court order;
- inform appropriate school personnel of the provisions or restrictions in the court order; and
- abide by the provisions and/or restrictions ordered, and the non-custodial parent requests that are consistent with the order.

The school is **not** required to hold a separate conference for each parent. Please be sure that the school has appropriate contact information for both parents, to ensure consistent communications. Unless prohibited by a certified court order, **and upon request**, the school will:

- send duplicate correspondence to the non-custodial parent or both custodial parents;
- arrange for review of school records by the non-custodial parent;
- keep non-custodial parents apprised of major school events.

CHANGE OF CONTACT INFORMATION

It is most important that parents notify the school immediately of any change in their contact information, including their physical address, telephone number (s) and email address. Unlisted numbers will be held in confidence when requested.

ACADEMIC POLICIES

EVERY STUDENT SUCCEEDS ACT

The State of New Mexico complies with the Federal Government's Every Student Succeeds Act (ESSA). ESSA includes the implementation of School Grades based on growth and progress as represented through state testing as well as parent involvement. School grades are based on overall school growth on state test scores, individual student growth, parent involvement and attendance.

ATTENDANCE, TRUANCY AND TARDINESS

All South Valley Prep students, except those exempted by law, regulations, or rules, must enroll in school and are required to attend school full time. Schools will identify students who have attendance problems. Any parent of a student subject to the provisions of the Attendance for Success Act is responsible for the school attendance of that student. In order for an absence to be considered excused, students must provide written documentation from a parent/guardian within three (3) school days after their return to school. Please see the compulsory school attendance, absences, and excuses policy for specific details. Please see the SVP Attendance Policy, attached as Appendix to this Handbook.

PROCEDURES FOR EXCUSED ABSENCES

A parent must notify the school each day the student is absent and provide a reason(s) for the absence or if the parent anticipates the absence will extend beyond one school day, the parent may provide a written explanation of the reasons, signed by the parent, to be presented on the first day of the student's return to school. If a parent has not contacted the school on the first day of the student's absence, the school will make a reasonable attempt to contact the parent before the end of the day and shall document the contact and reasons for the absence. Not all reasons may be considered as EXCUSED. See SVP Attendance Policy.

Prolonged/Chronic Health Conditions

If the student's health condition is chronic or reasonably expected to last ten (10) days or more and the student's condition does not prevent him/her from completing school work, the parent shall provide a written statement from the student's licensed health care provider, including a prognosis as to the length of the student's absence and the student's ability to complete school work. On receipt of the healthcare provider's written statement the student's parent or guardian will be required to contact both the administration and homeroom teacher to set up a plan until the student is able to return to school.

The following are considered excused absences:

- Parent or licensed healthcare provider authorized absences for medical reasons.
- Religious Instruction/Observation –
 - A student may, with the written consent of her/his parents and subject to the approval of the principal, be excused from school to participate in religious instruction for not more than one class period each school day at a time period not in conflict with the academic program of the school.
 - A student also may be excused for observance of a religious holiday, which does not coincide with a school holiday.
- School-sponsored interscholastic extracurricular activities
- Cannot exceed ten (10) days per semester
- No class may be missed in excess of ten (10) times per semester
- Family Emergency/Death in the Family
- Diagnostic Testing
- Other circumstances that have been approved by the school principal

Missed Work during Excused Absences

It will be the student or parent's responsibility to obtain make-up work. Students will be given a reasonable amount of time to complete work. Completely missed work will result in a "zero."

STUDENT RECORDS

The school maintains confidential student records for each student enrolled in the school. The school complies with the U.S. Family Educational Rights and Privacy Act (FERPA) to keep student records confidential and to provide procedures and establish responsibility for collecting, maintaining, and releasing information about students that is contained in student records. Parents may request that the school or district restrict the release of student records.

STATEMENT OF RIGHTS OF PARENTS/GUARDIANS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents/legal guardians, and students 18 and over, certain rights with respect to the student's education records:

SVP provides the following notice regarding those rights:

1. *Inspection* - You may inspect and review your student's education records within 45 days of the day the school receives a written request for access. You should submit to the Principal or designee a written request that identifies the record(s) you wish to inspect. The Principal will make arrangements for access and notify you of the time and place where the records may be inspected.

2. *Amendment* - You may request the amendment of your student's education records if you believe they are inaccurate or misleading. To amend the record, you should write to the Principal and clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If SVP decides not to amend the record as requested by you, SVP will notify you of the decision and advise of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of the right to a hearing.

3. *Disclosure/Consent* – A parent/legal guardian, or a student over the age of 18, has the right to consent to disclosures of personally identifiable information contained in the student's education records. Note that FERPA authorizes disclosure without the parent's consent to school officials with legitimate educational

interests. A “school official” is a person employed by SVP as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Governing Council; a person or company with whom SVP has contracted to perform a special task (such as an attorney, auditor, medical consultant, ancillary staff or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. *Directory Information – Right to Opt Out.* SVP classifies the following as Directory Information: student’s name, parent’s name, address, telephone listing, electronic mail address, date and place of birth, participation in officially recognized activities, awards received, student’s photograph, and the most recent previous school attended by the student. School officials may release this information to any person without the consent of the parents or the student. **Any parent/guardian or eligible student who objects to the release of any or all of this directory information without their consent must notify, in writing, the Principal by no later than September 15 each year.** The objection must state what information the parent/guardian or student does not want to be classified as directory information. If no objection is received by September 15 of each year, information designated above will be classified as Directory Information until the beginning of the next school year. **By signing that you received this policy in connection with the Student/Family Handbook, you acknowledge that you have received your annual notice of FERPA rights as required by federal law.** If you chose to opt out of permitting your student’s directory information from being released, please sign the attached “Exclude the Release of Directory Information” form attached to this handbook, Appendix .

5. *Complaint* - You have the right to file a complaint with the U.S. Department of Education concerning alleged failures by SVP to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

TRANSFER OF STUDENT RECORDS

When a student withdraws to enroll in another school and records are officially requested by the new school, the following records (if applicable) are forwarded: continuous record of academic progress; health data sheet with health notes; special education records; 504 Plan; individual remediation plan; individual health plan/emergency plan; attendance reports; standardized test results/state testing results; indicator of grades and credits received from other schools (if applicable); listing of disclosure and transfer of student records; relevant legal documents and documentation of suspensions and expulsions.

ACCEPTABLE USE OF INTERNET AND TECHNOLOGY RESOURCES

All South Valley Prep students, employees, contractors, volunteers, and other school officials who use or have access to school district technology must sign and abide by the school’s technology acceptable use policy indicating their knowledge of and agreement to terms and conditions of use of district technology resources. Failure to follow the acceptable use procedure will result in the loss of these tools and may result in disciplinary action up to and including suspension, expulsion, termination, and criminal charges. All technology resources must be used in a responsible, efficient, ethical, and legal manner and in accordance with the South Valley Prep Mission Statement, Priorities, and Goals.

GRADING AND REPORTING

Grading

The students' academic grade is based on the following: unit tests, quizzes, projects, and presentations or other measurements as well as meeting other stipulated course expectations in order to demonstrate progress, understanding and level of mastery in a class, course or subject will be utilized.

A+ = (100-99)	B+ = (89)	C+ = (79)	D = (69-65)
A = (98-95)	B = (88 -85)	C = (78-75)	F = (64-0)
A- = (94-90)	B- = (84-80)	C- = (74-70)	

All students are expected to demonstrate progress, understanding and mastery at the designated checkpoints and earn a grade that gives an accurate description of that learning during the new grading period through interventions.

Any/all grade changes requested must follow the School's Grade Change Policy/Procedure, located in the Appendices.

ACADEMIC INTERVENTIONS

South Valley Prep provides a variety of interventions to support academic success and achievement.

STUDENT SUPPORT

State and federal laws call for early intervention strategies with family involvement to improve the academic and functional outcomes of students. When students are struggling with learning or behaviors that interfere with learning at SVP, we use the Response to Intervention (RTI) process that finds and uses strategies that will work with the student. We look at how students are making progress with the current instruction in the classroom to find more effective ways to help students make academic and functional progress at school. We also look at what may contribute to difficulties. Together with families we will work to develop interventions aimed at increasing the likelihood that students can be successful and maintain their placement in the general education setting.

MLSS

Multi-Layered System of Supports (MLSS) is New Mexico's adaptation of the Response to Intervention Framework (RTI). MLSS is a coordinated and comprehensive framework for educators to use to organize their schools and school systems to support student learning. MLSS supports high-quality instruction and intervention, healthy students, and safe learning environments. MLSS is a framework for school personnel to support students by delivering a range of layered **interventions** based on data-driven and data-informed student needs. MLSS includes high-quality instruction and interventions with **progress monitoring for impact**. MLSS provides students with the interventions and supports needed to succeed in the general curriculum.

SECTION 504

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with disabilities by organizations receiving federal assistance. Included in the regulation is the requirement that students with disabilities be provided with a "free appropriate public education" (FAPE). These regulations require identification, evaluation, provision of appropriate service, and procedural safeguards in all public schools. Individuals who have been determined to be students with disabilities under Section 504 may or may not be disabled under special

education (IDEA). Section 504 services could apply to any school age student who, (1) has had a physical or mental impairment which substantially limits a major life activity, or (2) is regarded as having a disability by others. Major life activities include walking, seeing, hearing, speaking, breathing, learning, working, caring for oneself and performing manual tasks. Parents who have concerns or questions regarding Section 504 services for their student should contact the student's teacher or the Principal.

STUDENT FIND

SVP has an affirmative, ongoing obligation to identify, locate and evaluate all students with disabilities within the school community who either have or are suspected of having disabilities and need special education as a result of those disabilities. SVP personnel, a private or public agency or institution, or a parent may initiate a referral for a placement evaluation by contacting the Principal or by contacting one of the SVP special education teachers.

ADVISORY

Advisory is integral to the mission of our school and to the total educational program. Advisory assists in social and emotional learning delivered through a comprehensive, developmentally appropriate school program with the goal of having a positive impact on student overall growth including academic performance.

SPECIAL EDUCATION

All students are guaranteed a free appropriate education. Students from birth to age 21, if eligible, can be provided Special Education services. If one of our educational professionals believes that a student would benefit from Special Education services, parents will be notified. From there students will be matriculate through the Multi-Layered System of Supports (MLSS) and Student Assistance Team (SAT) processes. Parents will be updated on the progress of their student within MLSS/SAT and if consent is provided an evaluation to determine eligibility for services will be sought. Results will be shared with parents and possible placement in program will be decided upon by the Eligibility Determination Team (EDT).

STUDENT RIGHTS AND RESPONSIBILITIES

A primary responsibility of South Valley Prep shall be to instill in students an appreciation of our representative form of government, the rights and responsibilities of the individual, and the legal processes whereby necessary changes are brought about. The school is a community, and the rules and regulations of a school are the South Valley Prep community agreements. Each agreement carries with it an obligation. The right to attend public school is not absolute. It is conditional on each student's acceptance of the obligation to abide by the rules of the school community until and unless the rules are changed through established processes.

Teacher, administrators and other school employees also have rights and duties. Teachers are required by law to maintain a suitable environment for teaching in their classes, and to assist in maintaining school order and discipline. The administration is responsible for maintaining and facilitating the educational program by ensuring an orderly, safe environment at SVP. In discharging their duties, all school employees have the right to be free from intimidation or abuse by all community members, including students, parents and visitors, and to have their lawful requests and instructions followed.

Students may be disciplined for committing any act that endangers the health or safety of students, school personnel, or others for whose safety the School is responsible, or for conduct that reasonably appears to threaten such dangers if not stopped, regardless of whether an established rule of conduct has been violated; for violating valid rules of student conduct contained in this Handbook, or other rules established by the Governing Council or the Principal, when the student knew or should have known of the rule in question or that the conduct was prohibited; or for committing acts prohibited by 6.11.2 NMACC, when the student knew or should have known that the conduct was prohibited.

While South Valley Prep is moving towards transitioning into the full implementation of restorative practices, it is required to comply with applicable laws/regulations relating to student discipline. SVP has both the authority and the responsibility to ensure that suitable expectations of student conduct and appropriate accountability processes are established. It is the responsibility of the students and parents to inform themselves of current school policies and regulations.

NO DISCRIMINATION BASED ON RACE, CULTURE, RELIGION, HAIRSTYLE.

SVP shall not discriminate against a student, discipline a student, or impose disparate treatment of a student, because of a student's race, religion or culture or because of a student's use of protective hairstyles or cultural or religious headdresses, as defined in New Mexico statute, NMSA 1978 §22-8B-4(U).

Equal Opportunity/Title IX

South Valley Prep does not discriminate nor condone discrimination by students, employees, or third parties on the basis of ethnic identity, religion, race, color, national origin, sex, gender identity, sexual orientation, HIV status, mental or physical disability, marital status, or pregnancy in any program or activity of, or sponsored by, the school and provides equal access to the Boy Scouts and other designated youth groups. The following contact has been trained and designated to handle inquiries regarding the nondiscrimination policies or to file a complaint.

DISCIPLINE POLICY

Our goal is to help students to recognize and understand the root cause of behaviors and actions that can lead to the harm of themselves, others, and their community and to develop strategies on how to re-engage students in positive ways. In doing so, we recognize that every student can be a positive member of our school community. Each student, however, is expected to learn, seek help and to develop positive self-reflection and self-discipline strategies. South Valley Prep supports that development through our family environment, our positive school culture, our social emotional learning, and our service learning. Each of these provides opportunities for students to learn, identify and practice personal qualities that lead to a healthier and more positive lifestyle. While these qualities may support a more successful life, South Valley Prep uses these qualities to develop self-advocacy and self-determination.

First and foremost, South Valley Prep maintains the obligation to provide a safe learning environment for all students. Some actions and behaviors are unacceptable including those listed below. South Valley Prep expects that all students will comply with the Public Education Department statement on Student's Rights and Responsibilities, 6.11.2 NMAC, which, among other things, prohibits the commission of or participation in the activities designated below in any New Mexico public school and whenever students are subjects to school control.

- Theft, vandalism
- Violent behavior/threats of violent behavior

SCHOOL-WIDE BEHAVIOR and DISCIPLINE PROCESS (CLASSROOM AND OTHER LOCATIONS DURING SCHOOL SPONSORED ACTIVITIES)

All teachers at South Valley Prep use a consistent classroom behavior plan that provides multiple opportunities for students to engage/reengage students in their learning.

Note: If a behavioral transgression is brought to the attention of the administrator or her/his designee and the investigation into the matter confirms that the student engaged in such misbehavior, then the administrator will follow actions/steps specified in the school's Discipline Matrix. The administrator has discretion in carrying-out such consequences based on the specific situation and on a case-by-case basis.

The following are the steps a teacher will take before soliciting assistance from the administrator or her/his designee (See Discipline Matrix for specific responses to misbehavior):

1st incident within classroom or other location on/off campus

- Verbal Warning with the student being given an opportunity to self-regulate or to remedy their transgression.

2nd incident within classroom or other location on/off campus

- Removal of the student such as seat change within the classroom or to a partner teacher's classroom.

Other disciplinary consequences that a teacher or other staff may impose include but is not limited to:

- Loss of field trips or other privilege including upcoming events
- Campus clean-up
- Discipline reflective writing assignment
- Apology letter

Corporal punishment is strictly prohibited. Restraint/seclusion techniques may only be used in accordance with the Restraint and Seclusion Policy/Procedure in the Appendices.

Level I Infractions

A level I infraction consists of the following offenses: general disruptive conduct which is defined as creating obstacles to teaching and learning in the classroom community, defiance of school personnel which is defined as refusal to disengage in behaviors or actions that are or may cause harm to themselves or others, conflict with non-physical contact, inappropriate language, and verbal harassment. These offenses will be dealt with at the classroom level.

Once a student receives two (2) level I infractions, they are referred to the administrator or her/his designee. For each offense, the parent/guardian will be notified of the incident and the consequences that have been administered.

Note: A teacher may refer a student to the office for immediate administrative action for several reasons because the infraction is deemed to be beyond Level I and possibly Level II:

- If the offense is of such a nature as to merit immediate removal from campus (such as those that fall within Level II infractions - violence, threats, possession, use, or distribution of drugs or weapons, etc.)
- If the offense is of such a nature as to merit long-term suspension or expulsion (such as those that fall within Level II infractions - involving firearm, arson, or vandalism that exceeds \$1000 in damages, etc.)

Level II Infractions

If a student commits a level II infraction, she/he is immediately sent to administration. The parent will be notified and will be asked to come to the school to conference the situation. Some examples of level II infractions are as follows: arson, bullying with physical contact, drug possession, gang-related activities, tobacco (possession, use, or distribution), or obscene materials.

CONSEQUENCES

Suspension Policies

Suspensions, long- and short-term, shall be accomplished in accordance with the Suspension/Expulsion Procedures below.

If suspended or expelled, a student is not to be on campus or at any school function for any reason. Students found on campus who should not be there may be reported to the Albuquerque Police Department or Bernalillo County Sheriff for trespassing.

At each teacher's discretion, make-up work may be worth only a portion of full credit or none. A teacher may allow a student the opportunity to receive anywhere from half to full credit for work missed due to a suspension, but the quality of work will determine the credit earned. In cases of suspension as in other situations, the burden of requesting work and completing it is on the student. Since students are not allowed on campus while suspended, these requests should be made via phone calls or through emails.

ALL SUSPENSION MAKE-UP WORK IS DUE THE DAY THE STUDENT RETURNS TO SCHOOL.

Expulsion

A student may be suspended or expelled for any misconduct that adheres to the HARD NO's listed above when an act that is related to school activity or school attendance occurring within a school under the jurisdiction of any South Valley Prep personnel or occurring within any other school district and that act occurs at any time, including, but not limited to:

- While on school grounds
- While going to or coming from school
- During the lunch period whether on or off the campus, or during
- While at, going to or coming from a school-sponsored activity

Any student who is determined to have knowingly brought a weapon to school will be expelled for a period of time of not less than one year; the administrator or her/his designee has the discretion to modify the expulsion requirement on a case-by-case basis. In addition to the formal administrative disciplinary action, students may face consequences in respect to extra-curricular activities as per the rules governing each activity.

Cheating

Students involved in cheating, as determined by their classroom teacher, will receive a "0" grade for the activity or test, a notice of misbehavior will be completed and the teacher will call the parent. Multiple infractions regarding cheating may result in a Level II Behavior Report.

Damage to School Property or the Property of Others

Any student damaging school or other's property will be responsible to make restitution and/or restore the property to its original condition. Tampering with or unauthorized use of school property or the property of school personnel and/or others will be subject to disciplinary action at the discretion of the administrator or her/his designee. Vandalism will be possibly assigned a 1-5 day suspension, until a parent conference can be arranged, and possible referral to authorities. Multiple incidents will result in possible expulsion.

This will be particularly enforced due to the acquisition of our new facility. Any student caught engaging in any kind of acts that damage any part of our school will receive consequences.

Fighting

Fighting (slapping, punching, etc.) **is not tolerated.** Any student who is fighting or provoking/encouraging/supporting a fight will immediately receive a referral to the office and will be administered consequences specified in the Discipline Matrix.

A parent conference must be scheduled prior to returning to school. Multiple incidents will lead to a possible recommendation for expulsion. Physical assault requiring medical attention must be reported to the criminal authorities for their determination of legal action.

Harassment/Abuse/Violence/Racialized Aggression

Physical, emotional, or sexually abusive behavior including psychological intimidation and harassment, violence or threats of same, and racialized aggression **will not be tolerated.** A written report should be given to the administrator or her/his designee within five days of the incident. Law enforcement may be called in appropriate circumstances.

Hats or hoodies

must be removed once a student is inside the building. If a student must be asked repeatedly to remove hats or hoodies while inside the building the article will be confiscated and waiting in the front office or reset room for pick up at the end of the day.

Inappropriate Use of Technology/Internet

Students are personally responsible for appropriate behavior using technology and, on the network, just as they are in a classroom or hallway. Access to network services is given to students who act in a considerate and responsible manner, and that access is a privilege, not a right. School staff may review network and computer storage systems to maintain system integrity and ensure responsible system use. Students may not:

Insubordination or Defiance of School Personnel

Any student disregarding or refusing to obey direction given by school personnel (i.e., refusing to leave a class or report to the office when directed by a staff member; refusing to identify oneself or falsely identifying oneself to a staff member) will possible be assigned detention, dismissed early, or assigned 1-5 days suspension, and the staff member shall call the parent.

Profanity and/or Obscene Language

A student using any form of profanity (written or verbal), obscene gestures, signs, pictures, or publications will be assigned detention. A student using profanity, obscene and/or abusive language directed at a staff member will receive possible suspension and/or parent conference.

It is a felony to possess, store or keep a weapon on school property. Students who become aware of a weapon being brought to school or on school property must immediately notify a staff member and should NOT pick up or transport the weapon. A student who becomes aware that they are in possession of a weapon and immediately notifies a staff member may avoid, depending on the circumstances, being considered as one in possession of a weapon.

The consequence for violation of the weapons policy is immediate suspension (including early dismissal) pending a hearing with the recommendation, depending on the type of weapon and the seriousness of the situation, ranging from suspension to an automatic one-year expulsion.

Special Circumstances

In cases where students with disabilities are involved as documented in their Individualized Education Plan (IEP) or 504 plan, South Valley Prep will follow requirements of the Rehabilitation Act, IDEA and state statutes and regulations related to serving students with disabilities. Prior to considering disciplinary change of placements for eligible students, South Valley Prep will hold a manifestation determination review (MDR).

Off Campus Events

Students participating in school sponsored off-campus events will be governed by all the guidelines of the South Valley Prep discipline policy and are subject to the authority of the school staff. Failure to obey the lawful instruction of school staff will result in a loss of eligibility to attend school sponsored off campus events and may result in additional disciplinary measures in accordance with the disciplinary policy.

We understand that it is difficult to fully engage in physical education while wearing jeans however, our facility and schedule does not facilitate dressing out. Students are encouraged to wear uniform shorts on PE days.

STUDENT PERSONAL ITEMS

Students are encouraged to leave items of value at home. Personal items brought to school that are lost, damaged, or stolen are not the responsibility of the school. Any personal items that interfere with classroom instruction, school activities or operations, and/or student testing will be confiscated by the school staff. NOTICE OF PROHIBITION AGAINST BULLYING, CYBERBULLYING, HARASSMENT, HAZING AND VIOLENCE

A safe and civil environment is necessary for students to learn and achieve high academic standards. Harassment, intimidation, bullying, hazing, and/or other disruptive or violent behaviors is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment.

Bullying/cyberbullying/harassing/hazing/violent behavior by any South Valley Prep student is strictly prohibited, and such conduct will result in disciplinary actions, including suspension and/or expulsion from school.

Students and parents must notify school personnel and/or administrators of any such behavior. Any report of such behavior will be promptly investigated. If such acts of bullying are verified, prompt disciplinary actions will be taken against the perpetrator, up to and including suspension and/or expulsion.

See Bullying/Cyberbullying/Harassment/Hazing/Violence Policy in Appendices.

SEXUAL HARASSMENT

Sexual harassment toward any student will not be tolerated. Sexual harassment is defined as unwelcomed and unwanted sexual behavior or conduct whether verbal, physical or visual, which create an intimidating, hostile, or offensive environment.

- Sexual harassment may include but is not limited to:
- Physical contact, such as hugging, kissing, grabbing, pinching, patting, brushing against, touching, or blocking one's path or egress;
- Implicit or explicit sexual propositions, requests, demands or other forms of pressure for sexual favors or dates; especially when accompanied by implied or overt promises of preferential treatment with regards to an individual's employment or educational status;
- Sexually suggestive or degrading remarks, including jokes, kidding, or teasing
- Unwelcome verbal or physical flirtation, sexual gestures or comments, or comments about another person's body or appearance; including touching oneself sexually or talking about one's sexual activities in front of others.
- Vulgar or obscene language;
- Display of sexually explicit or offensive printed or visual material, including but not limited to photographs, calendars, graffiti, cartoons, emails, drawings, or notes including making and playing sexually explicit audio/video tapes;
- Demanding sexual favors accompanied by implied or overt threats concerning an individual's employment or educational status;
- Spreading rumors about or rating other individuals as to sexual activity or performance

Sexual harassment may take many forms. It may be subtle and indirect or blatant and overt. It may be conduct affecting an individual of the opposite sex or conduct affecting an individual of the same sex. It may occur between peers or between individuals in a hierarchical relationship. The fact that someone did not intend to sexually harass an individual is no defense to a complaint of sexual harassment. Regardless of intent, it is the effect and characteristics of the behavior that determine whether the behavior constitutes sexual harassment.

If a student feels as if he/she is being sexually harassed, they need to immediately inform a teacher or the administrator. Any cases involving sexual harassment will undergo investigation by School administration. Students found to be in violation will be subject to disciplinary action such as suspension and/or expulsion. See also Title IX policies/procedures in Appendices.

b. Student vehicles when on campus or otherwise under school control, and students' personal effects brought onto campus and not within the student's immediate possession, may be searched in accordance with the requirements for school property searches, above. Backpacks, purses and student personal property in the student's immediate possession should be searched with student present, if possible.

c. Physical searches of a student's person may be conducted only by an authorized person of the same sex as the student and, except when circumstances render it impossible, may be conducted only in the presence of another authorized person of the same sex. The extent of the search must be reasonably related to the infraction, and the search shall not be excessively intrusive in light of the students age and sex, and the nature of the infraction.

5. *Seizure of Items.* Illegal items, legal items which threaten the safety or security of others, and items which are used to disrupt or interfere with the educational process may be seized by authorized persons. Seized items shall be released to appropriate authorities or a student's parent or returned to the student when and if the administrative authority deems appropriate.

SVP shall:

- a) through professional development activities, create an awareness among educators and administrators of the types of behaviors that students experiencing homelessness may exhibit due to homelessness and provide strategies and supports to address the behaviors through the student assistance team process in accordance with Subsection D of 6.29.1.9 NMAC;
- b) take into account the issues related to a student's homelessness by talking with the student and applicable staff and families prior to taking disciplinary action;

- c) with school behavior response teams or other applicable personnel to assign appropriate discipline related to the behavior;
- d) implement discipline alternatives to out of school suspensions or expulsions or classroom removals, if possible; and
- e) connect students with mental health services as needed.

SVP shall review school discipline records and data of students experiencing homelessness in order to identify any patterns in disciplinary actions that indicate an unfair bias against the students. The collection and review of such records shall be in compliance with the Family Educational Rights and Privacy Act, as well as any other applicable federal or state laws or rules governing the privacy of such documents.

SUSPENSION/EXPULSION POLICY/PROCEDURE

The right to a public education for students is not absolute; it may be taken away, temporarily, or permanently through suspension or expulsion for violation(s) of a school regulation. However, it is a property right afforded to students which may only be denied when school authorities have adhered to procedural safeguards required affording the student due process of law.

According to NMSA 6.11.2.11, South Valley Prep is not obligated to accept any student who has been long-term suspended or expelled from another school. A student who has been validly expelled or suspended is not entitled to receive any educational services from the local district during the period of the exclusion from school. A local school board may provide alternative arrangements, including correspondence courses at the student's or parent's expense pursuant to public education department requirements, if the board deems such arrangements appropriate.

A. IMMEDIATE REMOVALS

Students whose presence poses a continuing danger to persons or property or on ongoing threat of interfering with the educational process may be immediately removed from school, subject to the following:

1. A rudimentary hearing, as required for short-term suspensions, shall follow as soon as possible;
2. Students shall be reinstated after no more than one school day, unless within that time a short-term suspension is also imposed after the required rudimentary hearing. In such circumstances, a single hearing will support both the immediate removal and a short-term suspension imposed in connection with the same incident(s); and
3. The school shall exert reasonable efforts to inform the student's parent of the charges against the student and the action taken as soon as practicable. If the school has not communicated with the parent by telephone or in person by the end of the school day following the immediate removal, the school shall on that day mail a written notice with the required information to the parent's address of record.

B. SHORT TERM SUSPENSIONS

A short-term suspension is a mandatory absence from school for a period of 10 school days or less. If the Principal decides that the alleged misconduct warrants a consequence of a suspension for 10 school days or less, the Principal shall give the student an informal/rudimentary due process hearing and shall examine all the pertinent facts to determine whether or not a violation did occur. The student shall be afforded due process rights set forth in 6.11.2.12.D NMAC, including the opportunity to present to the principal/designee his or her defense or position concerning the alleged violation. After the conclusion of the investigation, the Principal designee, upon the basis of all facts and information learned, shall determine if the student committed a conduct violation. If the student is found to have committed a violation, a consequence or suspension may be imposed for a period of time not to exceed 10 school days. If a suspension is imposed, the principal imposing the suspension shall keep a record of the aforesaid proceedings. A parent may request an administrative review of the discipline data and decision to suspend. Homework can be provided at the request of the parent. Credit for assignments completed while a student is in short-term suspension is at the discretion of the instructor and/or Principal. There is no level of appeal higher than the Principal for a suspension of 10 school days or less.

C. LONG TERM SUSPENSION

A long term suspension is a mandatory absence from school for a period exceeding 10 school days, whether consecutive or cumulative, and up to the balance of the school year. If the principal/designee decides that the alleged misconduct is sufficiently serious so that the consequence should be a suspension in excess of 10 days or expulsion, the accused student shall be afforded his or her due process rights. There shall be an investigation to determine if there is sufficient probable cause to charge the student with an act of misconduct, which may result in a suspension in excess of 10 days or an expulsion. When a student is charged by the principal/designee with misconduct which may result in long-term suspension or expulsion, the parent(s) or guardian of the student shall be informed within a reasonable time period by telephone or letter of the charges against the student.

D PROCEDURES FOR LONG TERM SUSPENSION/EXPULSION

The long-term suspension process shall be in accordance with 6.11.2 of the New Mexico Administrative Code. The ability to make up work for credit during long - term suspension will only be allowed in exceptional circumstances.

1. *Notice* - If the Principal believes that a long-term suspension may be warranted as a result of alleged misconduct of a student, the Principal will notify the parent(s) in writing of the grounds for the proposed suspension and the date, time and location of the suspension hearing, which shall be scheduled no sooner than five nor later than 10 school days from the date of receipt of the notice. Notice will be given by certified mail return receipt or by personal delivery addressed to the student, through his/her parents/guardians. The notice shall contain:

- The school rule(s) alleged to have been violated, a concise statement of the act(s) of the student on which the charge(s) are based, and a statement of the possible penalty;
- The time, date and place of the hearing, and a statement that both the student and parents are entitled and urged to be present;
- The name of the hearing officer;
- A copy of 6.11.2 NMAC, "Students Rights and Responsibilities,"
 - A clear statement that the hearing will take place as scheduled unless the hearing officer grants a delay or the student and parent agrees to waive the hearing and comply voluntarily with the proposed disciplinary action or with a negotiated penalty, and a clear and conspicuous warning

that a failure to appear will not delay the hearing and may lead to the imposition of the proposed penalty by default. Note: Expulsion hearings may not be waived.

- A statement that the student has the right to be represented at the hearing by legal counsel, a parent or some other representative designated in written notice filed at least 72 hours before the hearing with the contact person designated in the notice;

- Contact information (name, business address, phone number) for person from who the parent may request a delay or additional information, including access to any documentary evidence or exhibits which the school proposed to introduce at the hearing;

- A description of the hearing proceedings; and

- Any other information, materials or instructions deemed appropriate by the administrative authority who prepares the notice.

2. *Hearing Officer* – Long-Term Suspension and Expulsion hearings will be conducted by an independent hearing officer. No person shall act as hearing officer or review authority in a case where the person was directly involved in or witnessed the incident(s) in question, or if the person has prejudged disputed facts or is biased for or against any person who will actively participate in the proceedings.

3. *Time of Hearing* – The hearing shall not be any sooner than five (5) nor later than 10 (ten) school days from the date the notice was received. The hearing officer shall have the discretion to extend the time for hearing, however, if the delay extends beyond the 10 (ten) school days, the student shall be returned to school pending the outcome of the hearing, unless the student/parents have waived the right to a hearing and agreed to comply with the proposed penalty or have waived the hearing and have negotiated a mutually acceptable penalty with the Principal, or the student/parents have knowingly and voluntarily waived the student's right to return to school pending the outcome of the formal proceedings.

4. *Hearing Procedure* – The formal hearing is not a trial; it is an administrative hearing designed to ensure a calm and orderly determination by an impartial hearing officer of the facts of a case of alleged serious misconduct. Technical rules of evidence and procedure do not apply. The following rules govern the conduct of the hearing and the ultimate decision:

- a. The school shall have the burden of proof of misconduct.

- b. The student and student's parent(s) shall have the following rights:

- i. the right to be represented by legal counsel or other designated representative, however, the school is not required to provide representation;

- ii. the right to present evidence, subject to reasonable requirements of substantiation at the discretion of the hearing officer and subject to exclusion of evidence deemed irrelevant or redundant;

iii. the right to confront and cross-examine adverse witnesses, subject to reasonable limitation by the hearing officer;

iv. the right to have a decision based solely on the evidence presented at the hearing and the applicable legal rules, including the governing rules of student conduct.

c. The hearing officer shall determine whether the alleged acts of misconduct have been proved by a preponderance of the evidence presented at a hearing at which the student or a designated representative have appeared.

d. If no one has appeared on the student's behalf within a reasonable time after the announced time for the hearing, the hearing officer shall determine whether the student, through the parent(s), received notice of the hearing. If so, the hearing officer shall review the schools' evidence to determine whether it is sufficient to support the charge(s) of misconduct.

e. The hearing officer shall report the findings, together with any recommended sanction, to the Principal promptly after the hearing.

f. Arrangements to make a recording or keep minutes of the proceedings shall be made by the school. A verbatim written transcript is not required, but any minutes or other written record shall fairly reflect the substance of the evidence presented.

g. The Principal may observe but not participate in the proceedings at a formal hearing. If the Principal is present at the formal hearing and if the hearing officer announces a recommended decision at the close of the hearing, the Principal may also announce the Principal's decision at that time.

5. *Decision* – The Hearing Officer may announce findings of fact and a recommended decision at the close of the hearing. The hearing officer shall also prepare a written recommendation, including written findings of fact and concise reasons for the recommendation and the penalty to be imposed, if any, and mail or deliver it to the Principal and the student, through the parent, within five (5) working days after the review is concluded. The Principal shall adopt the Hearing Officer's factual recommendation(s), but may reject any consequence(s) recommended by the Hearing officer. The Principal shall prepare the final written decision, including reasons for choosing any penalty imposed, and shall mail or deliver it to the student, through the parents, within five working days of receipt of the hearing officer's report.

The Principal's decision shall take effect immediately upon initial notification to the parent(s), either at the close of the hearing or upon receipt of the Principal's written decision. If initial notification is by mail, the parent(s) shall be presumed to have received the notice on the fifty calendar day after the date of mailing unless a receipt for certified mail, if used, indicates a different date of receipt.

If the hearing officer decides that no allegations of misconduct have been proved, or if the Principal declines to impose a penalty despite a finding that an act or acts of misconduct have been proved, the matter shall be closed. If the Principal imposes any sanction on the student, the decision shall take effect immediately upon notification to the parent and shall continue in force during any subsequent review.

E. LONG-TERM SUSPENSION/EXPULSION APPEAL

A student aggrieved by the Principal's decision after a formal hearing has the right to have the decision reviewed if the penalty imposed was at least as severe as a long-term suspension or expulsion, an in-school suspension exceeding one school semester or a denial or restriction of student privileges for one semester or longer. The appeal shall be to the Governing Council or its designee. The Governing Council may grant a right of review for less severe penalties. A student request for review must be submitted to the Governing Council President within ten (10) school days after the student is informed of the hearing officer's decision.

1. *Conduct of review* - The Governing Council shall have discretion to modify or overrule the Director's decision, but may not impose harsher consequences. If review is conducted by the Governing Council, the proceedings shall be conducted in accordance with the Open Meetings Act.

2. *Form of review* - The Governing Council shall have discretion to conduct a review on the written record of the hearing and decision in the case, to limit new submissions by the aggrieved student and school authorities to written materials, or to grant a conference or hearing at which the student and his or her representative, and school authorities, may present their respective views in person. Where a conference or hearing is granted, the record-keeping requirements of 6.11.2.12.G.4.1.vi NMAC apply.

3. *Timing of review* - Except in extraordinary circumstances, a review shall be concluded no later than fifteen (15) working days after a student's written request for review is received by the Governing Council.

4. *Decision* - The Governing Council may announce a decision at the close of any conference or hearing held on review. In any event, the Governing Council shall prepare a written decision, including concise reasons, and mail or deliver it to the Principal, the hearing officer and the student, through the parent, within ten (10) working days after the review is concluded.

5. *Effect of decision* - The Governing Council's decision shall be the final administrative action to which a student is entitled. A student who has been validly expelled or long-term suspended is not entitled to receive any educational services from the school during the period of the exclusion. SCHOOL may provide alternative arrangements, including remote learning or correspondence courses at the expense of the student or parent pursuant to NMPED requirements, if SVP deems such arrangements appropriate.

6. *NMPED Compliance* – The student discipline process followed by SCHOOL shall conform to 6.11.2 NMAC and to the extent any provision of this section conflicts with the NMPED regulation, the regulation shall govern.

STUDENT SUPPORT POLICIES

HEALTH OFFICE

South Valley Prep has a contracted nurse who works with our students. She is on our school campus generally one day every other week. Her focus is vision and hearing screenings as well as making sure each student's immunizations are up to date. Student immunizations, by state law, must be current. Written proof of immunizations or legal exemptions must be presented to the administration, so the nurse can verify them. The student may be withdrawn from school until records are current.

On days when the nurse is not present, students who are ill or injured report to the Nurse Assistant for evaluation and care. Parents will be contacted by the Nurse's Assistant or office staff if warranted. Please make sure the office has up to date telephone numbers so a family member, friend, or neighbor can be contacted for serious illness, injury, or emergency. Students may not leave campus, unless authorized by a parent/guardian. In emergencies, 911 will be called and the parent/guardian will be notified as soon as possible. The school office should be notified of any chronic or serious health problems, especially asthma, heart conditions, diabetes, seizure disorders or a history of anaphylactic reactions to insects or foods. Please call the administrative office for any questions or health concerns at 222-5642.

IMMUNIZATIONS OF STUDENTS

Students shall not be enrolled at any school unless satisfactory evidence of their completed immunizations, or proper exemption, can be presented. Any enrolled student without an immunization exemption will be placed on immunization suspension until immunizations are completed or are made as current as possible. It is unlawful for any parent to refuse or neglect to have his or her child immunized, as required by state law, unless the child is properly exempted. Legal reference: NMAC 6.12.2, NMAC 7.5, and Chapter 24 Article 5, NMSA 1978.

ILLNESSES/CONTAGIOUS DISEASES.

For the protection of all students, your student should be kept at home if he/she has any of the following symptoms: fever, diarrhea, vomiting, a rash, nasal discharge, or discharge from the eyes or ears. Parents should exercise every caution and keep their student home should other unusual symptoms occur. If a student becomes ill while at school, a parent will be called to pick up the student immediately.

If your student has been exposed to a contagious disease, he/she should be kept at home and the occurrence of his/her condition should be reported to the school immediately. Chicken pox, ear infections, giardia, hepatitis, measles, mumps, scarlet fever, strep, and viral infections including COVID-19 are among those conditions categorized as "highly contagious".

MEDICATIONS POLICY.

Diagnosis, treatment of illness, or prescribing drugs and medications are never responsibilities of a school and should not be practiced by any school personnel. School personnel will dispense only medications that have been prescribed by a physician. Students may be treated with an epinephrine auto injector, as directed by standing order of the student's physician, for life-threatening episodes of allergic reaction or asthma. When possible, medication doses should be given at home to avoid interruptions in the school day. If medication is needed during the school day, the policy is as follows:

➤ *Inform.* Parents/guardians must inform the nurse or administrator when a pupil requires medications during the school day. Students observed by school personnel self-administering unauthorized medications shall be reported to their parents/guardians.

➤ *Written Permission.* A written statement is required from the parent/guardian and physician authorizing the administration of all medications and releasing school personnel from liability should reactions result from the medication. The written statement must include the student's name, diagnosis, name of medication, dose, time to be given, and signatures of parent/guardian and physician. Forms are available from the office.

➤ *Labeled Containers.* Medication must be provided in pharmacy labeled containers that indicate pharmacy name and telephone number, student's name, physician, name and dosage of medication. The dispensing pharmacy must split medication into duplicate bottles if it is necessary to give medication during school hours. One bottle will be kept at home and the other at school under the care of school authorities.

➤ *Administration.* A nurse will administer prescribed medication. In the absence of the nurse, the medication will be dispensed by an administrator. Students will be allowed to carry and self-administer medications only with a physician's and parent's written permission, in cases of potential emergency (See additional requirement below).

➤ *Doctor's Orders.* Tylenol or other over-the-counter medicines will be administered to students only with a physician's written order in addition to the parent authorization as required above. Such over-the counter medication must be in the original container. Again, parents are urged to administer such medication at home when possible.

➤ *Disposal.* When the medication is no longer needed, it will be returned to the parent or guardian, or destroyed. Medications requiring refrigeration will be kept in a closed and clearly identified container in the refrigerator.

PLEASE DO NOT SEND COUGH DROPS IN YOUR STUDENT'S POCKETS, BACKPACK, OR LUNCH BOX. THESE ARE CONSIDERED MEDICATIONS AND ARE TO BE TREATED AS OUTLINED ABOVE.

SELF-ADMINISTRATION OF CERTAIN DRUGS.

Students will be allowed to carry and self-administer asthma medication, emergency anaphylaxis medication, and/or equipment and supplies for storage and disposal of sharps for self-assessment and for self administration of diabetes treatment medications, if it has been legally prescribed to the student by a health care provider under the following circumstances:

1. The health care provider has instructed the student in the correct and responsible use of the medication;

2. The student has demonstrated to the health care provider and the school nurse or other school official the skill level necessary to use the medication and any device that is necessary to administer the medication as prescribed;

3. The school nurse or health care provider, within input from the parent or guardian and based on the student's health care practitioner's medical orders, has formulated a written treatment plan for managing the student's care and for medication use by the student during school hours or school-sponsored activities, including transit to or from school or school-sponsored activities; and

4. The student's parent has completed and submitted to the school any written documentation required by the school, including the treatment plan required in paragraph (3) above and a statement relieving the school and its employees and agents from liability arising from the performance the student's self-administration, carrying or storage of medication, supplies and medication-administration equipment.

The parent of a student who is allowed to carry and self-administer asthma medication, emergency anaphylaxis medication, or diabetes medication/equipment may provide the school with backup medication and equipment that shall be kept in a location to which the student has immediate access in the event of an asthma, anaphylaxis or diabetes emergency.

Please see the Student Diabetes Management Policy and procedure in Appendices for important information about student diabetes management procedures at school. To the extent that anything in this Section conflicts with the Student Diabetes Management Policy and procedure, that policy shall control.

THE SCHOOL SHALL NOT BE LIABLE AS A RESULT OF ANY INJURY ARISING FROM THE PERFORMANCE OF SELF-ASSESSMENT PROCEDURES AND THE SELF-ADMINISTRATION OF MEDICATION NOR FROM ANY INJURY ARISING FROM THE STUDENT CARRYING AND, IF APPLICABLE, DISPOSING OF THE MEDICATION OR SUPPLIES NEED TO ADMINISTER MEDICATIONS.

MEDICAL SITUATIONS AND EMERGENCIES

➤ *Emergencies.* In the event of a medical emergency or an accident, we will first attempt to contact the parent/guardian or the doctor of the student, unless SVP determines that the circumstances merit contacting 911 for emergency response. After 911 is called, SVP will make every effort to reach the student's parent/guardian, or other emergency contact prior to treatment, however, this may not always be possible. For this reason it is absolutely necessary that all contact information on the "Permission for Medical Attention" be completed and kept current.

➤ *Staff Aid.* Staff members are required to have current first aid and CPR certification. Should first aid be needed, a first aid-certified staff member or other person assigned to take care of a particular situation will administer first aid or give instructions for proper care. All staff members will follow these instructions carefully.

➤ *Incidents at School/Reports Home.* Health office visits will be charted and nurse pass slips describing the nature of health office visits will be sent home with students. Minor accidents (e.g., bruises, scratches, bumps, cuts, scrapes, etc.), which can be taken care of by staff members, will be attended to immediately. The staff member will document the accident on an "Accident Report" form. The staff member will sign the form and submit it to a school administrator for review and signature. A copy will be placed in the parent's file and in the student's file. Parents will be notified of any situation that involves trauma to the head

➤ *Accidental Poisoning.* In the case of poisoning, the staff member will call Poison Control immediately and follow their instructions carefully. Parents will be notified and an "Accident Report" written. A first aid kit is readily available and all emergency numbers are posted.

EXCUSE FROM PHYSICAL EDUCATION

Please send a request to the teacher if your student needs to be excused from physical education. Written instructions are required from the student's physician if the student is to be excused for more than two days, and must include a re-entry date.

MEDICAL CANNABIS POLICY/PROCEDURE

Pursuant to the New Mexico Medical Cannabis in Schools Act ("Act"), qualified students certified for use of medical cannabis pursuant to the Lynn and Erin Compassionate Use Act who require medical cannabis as a reasonable

9. **Administration and use of medical cannabis in a school setting is not authorized, and being under the influence of cannabis in a school setting is not authorized, where the student is not a qualified student pursuant to the Lynn and Erin Compassionate Use Act who requires medical cannabis as a reasonable accommodation necessary for the student to attend school, where the student's performance/behavior at school/school activities is adversely affected by such use, where it may pose a danger to other students, and/or where it disrupts or has the potential to disrupt the educational process.**
10. Student possession, use, distribution, sale or being under the influence of a cannabis product in a manner inconsistent with this Policy, inconsistent with the Medical Marijuana in Schools Act, and/or inconsistent with the Lynn and Erin Compassionate Use Act, is banned and will be considered a violation of the School's policies against distribution/possession/use of an unlawful substance on campus, and shall be disciplined accordingly.

HEAD LICE

The student's parents/guardian will be called and told that head lice have been found on the child. The health assistant will give advice on how to treat it.

PINK EYE (Infectious Conjunctivitis)

The student's parent/guardian will be called or notified if the child appears to have pink eye and complains of eye irritation. This irritation can be caused by a variety of bacteria, viruses, and other germs, as well as by allergies, exposure to chemicals or irritants. "*Pink Eye*" spreads from person to person by direct contact, in droplets coughed or sneezed into the air, on hands, towels, and/or girls sharing makeup products. If your child is complaining of these symptoms or has been sent home from school because of them, please contact your doctor for treatment. Upon return to school, the student will need to provide a "*return to school*" note from the teacher.

NUTRITION SERVICE

Breakfast, Lunch and an optional After School Dinner will be provided at South Valley Prep daily through an outside vendor or catering company. Breakfast and lunch are free for all students. At 9:00 we will notify the company of how many lunches will need to be delivered that day. If you know your child is going to be late, please notify the office so we can get an accurate count for the day.

Students may bring their own lunch. However, in alignment with our Health and Wellness Policies and focus, we ask that all meals sent from home follow a healthy guideline.

PARENTAL POLICIES

RELEASE OF STUDENTS DURING THE SCHOOL DAY

For the safety and protection of your child, a parent/guardian is required to report to the school office, present photo identification and officially sign-out the student for early release. Parents are strongly encouraged to schedule doctor and dentist appointments after the end of the school day or on school breaks. The protection of quality instructional time for your child is a priority. To minimize the loss of instruction, verification of any medical appointments may be requested by the school. Parents/guardians have the responsibility to furnish schools with accurate, up to date information. The school must always receive notification or authorization from the custodial parent/guardian before releasing the student to a non-custodial parent.

Students shall not be released into the custody of any organization, institution, or individual without prior consent or communication with the parent/legal guardians. Possible exceptions include: child abuse investigations, directives from law enforcement officials and/or the New Mexico Children, Youth, and Families Department (CYFD) or in emergency situations where immediate arrest or removal of a student for safety reasons is deemed necessary.

UPDATING AND CHANGING OF STUDENT INFORMATION

It is very important for parents to keep the school informed, in writing or face-to-face, of any changes in student information to include but not limited to:

- Allergies
- Medication
- Illnesses
- Doctors
- Hospital Choice
- Address
- Phone Number
- Emergency Contact Numbers
- ***Authorized person who may pick up your child from school***
- ***Unauthorized individuals who are NOT permitted to pick your child up from school***

VISITORS TO SCHOOLS

The staff and administration of South Valley Prep encourage parents/guardians to prearrange with your student's teacher to visit the school and classrooms, so long as such visits do not disrupt school operations or interfere with the educational process. Unless accompanied by parent(s)/guardian(s), school aged guests (i.e., out of town relatives or friends) are not permitted on campus during the school day. Visitors shall not be permitted during testing periods, or on days/times not preapproved by the student's teacher(s).

For the safety of students and staff, all school visitors must report to the school's main office upon arrival before proceeding to any part of the school or school grounds. Visitors shall comply with the school's policies regarding identification and safety, shall comply with all lawful staff directives while visiting campus, and shall be supervised by staff at all times.

VOLUNTEER CLEARANCE

South Valley Prep welcomes and encourages all parents/guardians to volunteer their time in our school. In order to protect our students, volunteers will need to get an FBI background check and fingerprinting using the school's ORI agency number which is: NM931161Z. Other requirements may apply. Please see the Office Manager for more information.

PARENT-STAFF COMMUNICATIONS

If a parent has a concern about an issue that occurred in the classroom, the parent should talk with the classroom teacher first. If the parent does not feel the issue is resolved after discussing the incident with the classroom teacher, the parent may call the administrator and set up an appointment to review the issue with the classroom teacher and the administrator. If the issue is with the head administrator, contact the Governing Council President, who in most cases will set up a meeting to review the issue with the head administrator and the parent. Appropriate cases may be referred to the Governing Council.

STUDENT-LED CONFERENCES

Student-Led conferences are mandatory for all students and are held twice a year. If parents wish to meet with a teacher, they will need to make arrangements directly with the classroom teacher.

PUBLIC INQUIRIES AND PARENTAL COMPLAINTS

As a parent or community member, there may be times when you need to have a problem solved or have a question answered. You may also have suggestions for changes to improve our school system. Your input is important. First, please address your questions or comments to the school principal. If your concerns are not addressed satisfactorily with the principal, please bring your concern/inquiry to the Governing Council President.

EMERGENCY INFORMATION

During school emergencies, parents must work in accordance with law enforcement and school officials to ensure the safety of all children and staff. Routine school procedures may change during an emergency. Emergencies could include fire, lockdowns, bus accidents, severe weather storms, disturbances in the adjacent neighborhoods, and more.

Please make sure emergency information is current in your child's school records. When you move, change phone numbers, or change emergency contact names, contact the school immediately. **Please make sure you follow the procedures provided to you to accept text messages from South Valley Prep through School Messenger.**

What should parents do in an emergency situation?

1. School emergency information will be sent **to you via text and voice using Infinite Campus Messenger** to provide instructions regarding procedures, if necessary. Please follow all instructions provided. In addition, if necessary, emergency information will be sent to local radio, TV stations, the school website, and through texts to keep parents notified and
2. School closures or late starts due to severe weather conditions will also be released to all media outlets.
3. Avoid calling the school during an emergency situation, as phones will be used to deal with the emergency situation and staff members will be busy taking care of students' needs. Information sent to the media and posted on the South Valley Prep website will be updated as needed.

4. If the school is on lockdown, no one (other than emergency responders) is allowed to enter or leave the school site. This is for your child's safety. Please do not come to the school until it has been announced through the media or website that it is safe to do so.
5. Follow all emergency student check-out procedures. Once the emergency situation is over, any adult coming to the school to pick up a student MUST have proper identification. This is for your child's safety as school personnel must track who has picked up all students. Students who normally walk home will be allowed to do so only after the police have determined the area is safe. Under some conditions, students who normally walk may need to be picked up.

TESTING

South Valley Prep believes that understanding the levels and needs of our students throughout the year will help us prepare and manage our curriculum more effectively. In addition to the tests and quizzes given in each core class, there are three forms of additional assessments: Northwest Evaluation Association (NWEA); the New Mexico Measures of Student Success and Achievement (NM-MSSA), state mandatory test and the Analytical Reading Inventory (ARI).

1. NWEA is given three times a year (fall, winter, and spring). It assesses student levels of proficiency in reading, math, and language arts in comparison to other students (in your child's grade level) around the nation.
2. ARI is administered at the end of each nine weeks to assess the students' reading levels
3. The NM state required assessment is given once a year (typically in March or April). This test is used to determine a students' level of proficiency in comparison to other students in other states that participate in similar testing. The students will be assessed in reading and math. Eighth graders will also be assessed in science using the New Mexico Assessment of Science Readiness (NM-ASR).

FIELD TRIPS

During the school year students will have opportunities to go on field trips. Signed permission forms are required and all school rules apply while on field trips. Parents will be given adequate notice of upcoming field trips and parents/guardians who do not want their child to participate should request an excused absence from the administrator; otherwise, a student's absence will be deemed an unexcused absence.

SPORTS

SVP sports are extracurricular activities. South Valley Prep participates in the Albuquerque Charter School League. As part of the Charter School League, we will be competing against other charter school students and small private schools **in grades 6th through 12th**. Students participating in any sport must have all registration papers filled out, signed, and returned, have an annual physical by a Doctor and must maintain a minimum of a 2.5 grade point average. In order to compete we need parent and community volunteers to coach. No school transportation is provided. Parents must transport students to all practices and games. If you have questions and/or would like to volunteer, please contact our PE Coach / Athletic Director.

Try-outs for the following boys and girls sports will be announced through school newsletters and/or notices:

- Boys Basketball
- Girls Basketball
- Coed Flag-Football
- Cross Country Running
- Girls Volleyball
- Coed Soccer
- Boys & Girls Track and Field

According to Senate Bill 789 of 2005, students who attend a charter school may choose to participate in a sports program at their home district school. However, they can only participate in one league, either the Charter School League or the APS District League.

Parents and students are required to sign a contract ensuring that they will demonstrate good sportsmanship. Parent signature will be representative of this agreement for themselves and any extended family members that attend any sporting events. Failure to sign the contract results in your child not participating in South Valley Prep's Sports program. Failure to uphold the agreement signed will result in parents and / or extended family members from attending any sporting events.

BICYCLES/SKATEBOARDS/SCOOTERS

Students who ride bicycles or scooters to school are expected to wear protective head helmets. Bicycles, skateboards, or scooters must be walked when on campus and are to be locked up during the day.

RELIGIOUS HOLIDAYS

We encourage the members of the school community to observe their respective religious holidays. Teachers will work with students who miss school because of religious commitments, pursuant to the SVP Attendance

Policy. Please be sure to discuss religious requirements and commitments with your child's teachers.

APPENDICES

I. SVP ATTENDANCE POLICY AND PROCEDURE

SVP is committed (and legally obligated) to enforce the New Mexico Attendance for Success Act. The following attendance requirements are consistent with a student's obligation to attend and a parent/guardian's obligation to ensure that their student attends school. SVP hopes that every parent will consider regular and timely attendance to be imperative to their student's educational success.

This policy applies to students and their parents or legal guardians.

I. DEFINITIONS

- a. "Absence" is when a child is not at school for a class or school day, whether excused or not, provided that "absence" does not apply to participation in interscholastic extracurricular activities.
- b. "Excused absence" is an absence due to illness, appointments with health or mental health care providers, death in the family, or religious instruction or tribal obligations (see handbook for other possible excused absences). At the school's discretion, a written confirmation may be required by the office when the student returns to school. If requested, such letter should come from medical practitioner, funeral service provider, or provider of religious education or tribal official. Special family situations may be considered appropriate for excused absence when *prior* approval is received from the Principal. The Principal's decision on the request shall be considered final.
 - i. Excused Absence due to Religious Instruction: A student may, subject to the approval of the Principal, be absent from school to participate in religious instruction for not more than one class period of the school day with the written consent of the parent/guardian, at a time that is not in conflict with the academic program of the school. School does not assume responsibility for the religious instruction for any student, nor does it permit religious instruction to be conducted on school property. School shall provide time for the student to make up the school work missed during the absence.
 - ii. Excused Absence due to Tribal Obligations: A student may, subject to the approval of the Principal, be absent from school to participate in tribal obligations with the written consent of the parent/guardian. The School shall provide time for the student to make up the school work missed during the absence.
- c. "Unexcused absence" is an absence from school or from a class for which the student does not have an allowable excuse as identified in this Policy/Handbook.
- d. "Half Day Absence" is an absence from school for less than half the school day.

- i. “Excused half day absence” is a half day absence from school for reasons identified in this Policy.
 - ii. “Unexcused half day absence” is a half day absence from school or from a class for which the student does not have an allowable excuse as identified in this Policy.
- e. Absence equivalencies:
- 1. Any combination of two half-day excused absences will equate to one excused absence.
 - 2. Any combination of two half day unexcused absences will equate to one unexcused absence.
- f. “Tardy” is an arrival to school after the start of the day, but 30 minutes or less late. Late arrivals in excess of 30 minutes will be considered a “half day absent.”
- i. “Excused tardy” is a tardy for reasons listed in this Policy.
 - ii. “Unexcused tardy” is a tardy for reasons not listed in this Policy.
- g. “Early Release” is a student’s departure from school 30 minutes or less prior to dismissal for reasons listed in this Policy. Early releases longer than 30 minutes will be considered a “excused half day absence.”

 - ii. “Unexcused early release” is an early release for reasons not listed in this Policy.
- h. “Chronically Absent” is a student with an absenteeism rate of 10%, but less than 20% regardless of the reason for absence, and/or whether excused or not. Chronically absent students require Early Intervention; see below.
- i. “Excessively Absent” is a student with an absenteeism of 20% or greater, regardless of the reason for the absence and/or whether excused or not. Excessively absent students require Intensive Support; see below.
- j. “Voluntary Withdrawal” is the School interpreting a student’s continued unexcused absences to constitute a voluntary disenrollment of the child from the school, after school’s intervention attempts have been exhausted. Voluntary withdrawal is not an expulsion of a student and does not require the due process for expulsion.

2. PROCEDURES

Such referrals shall include documentation of interventions provided to the family.

 - b. The school has contacted the juvenile probation department.

2. SVP shall develop and implement an annual training for designated school personnel regarding positive behavioral intervention supports or comparable behavior management techniques and the use of restraint and seclusion techniques. The student's IEP, BIP, or SAT team shall meet within two weeks of each subsequent use of restraint or seclusion to provide recommendations for avoiding future incidents requiring the use of restraint or seclusion; the review shall include whether school personnel involved in the incidents were trained in the use of de-escalation strategies, positive behavioral intervention supports, or restraint and seclusion techniques. Additionally, the review shall consider whether the individual who restrained or secluded a student needs additional training.
5. SVP shall conduct an annual review and analysis of all incidents in which restraint or seclusion techniques were used, including the number of incidents, the type of incident, personnel involved, the need for additional training, and student demographics.
6. If the school summons law enforcement instead of using a restraint or seclusion technique on a student, the school shall comply with the reporting, documentation, and review procedures established herein and in 6.11.2.10 NMAC and Section 22-5.-4.12 NMSA.
7. Restraint or seclusion techniques used in compliance with 6.11.2.10.E NMAC shall not be deemed to be corporal punishment.

STUDENT DENTAL EXAM VERIFICATION POLICY

New Mexico law requires SVP to verify student records of dental examination prior to the student's initial enrollment in SVP. Parents/guardians of students (or, if over 18, the student) are required to provide an executed Student Dental Examination Verification Form as part of the SVP enrollment process (see below) prior to initially enrolling the student. Parents/guardians/students over 18 may request a waiver from this verification process by checking the correct box on the Form.

This Form shall be collected and stored by the school as part of student records; confidentiality shall be maintained and shall be only accessible to SVP individuals on a need-to-know basis, consistent with the privacy protections of FERPA. End-of-year student data regarding student dental examination shall be reported to NMPED consistent with NMPED requirements.

Parents/guardians/students over 18 who wish to receive information about local resources regarding access to oral health care should see the health staff for information. In addition to local resources, the New Mexico Department of Health, Office of Oral Health is available at 505-827-0837.

Student Dental Examination Verification Form

Upon initial enrollment in a district or charter school, New Mexico Administrative Code (NMAC) 6.12.13 requires schools to verify student records of dental examination. This rule also allows for an informed opt-out process based on parent or guardian understanding of the risks associated with not having a dental examination.

SVP is dedicated to promoting the health of our students. We recognize oral health care is essential for general wellbeing and can have a significant impact on overall health. According to the [Centers for Disease Control and Prevention](#) (CDC), tooth decay is one of the most common chronic diseases of childhood in the United States. Left untreated, it can cause pain and infections that may lead to problems with everyday activities like eating, talking, playing, and learning. Routine oral health care such as dental visits, daily oral hygiene, healthy eating and consuming of water can help prevent tooth decay and other oral health conditions.

Grade Change Policy

Teachers must diligently maintain records that justify the final course grade awarded a student. Assuming due diligence on the part of the teacher, and that no mistake or clerical error has been made in the tabulation of grades, every student is ultimately responsible for the grade that he/she is awarded.

1. Changes to a test grade or a class assignment grade: Once issued by the teacher, changes to a test grade or a class assignment may occur only where there has been a clear mistake, clerical error or misidentification of the student by the teacher. The teacher who issued the test or assignment grade may change or direct the changing of the grade due to a clear mistake, clerical error, or misidentification. Requests for grade changes on tests or class assignments shall be handled between the student and the teacher, with the teacher being the final determinant of the decision. The teacher shall document the justification for the test grade or class assignment grade change. Nothing in this policy is intended to apply to grade changes for statewide tests used to determine adequate yearly progress or graduation from high school. If there is a need to change a grade or result on such state-mandated testing due to a clearly clerical mistake as where a student has been misidentified, the Principal shall promptly notify the assessment and accountability division of the Public Education Department for guidance.

2. Changes to course grades: Changes to course grades may be made by a teacher where there has been a clear mistake, clerical error in the tabulation, misidentification of the student or other extenuating circumstance as determined by the Principal. Such course grade changes must be brought to the attention of, and approved by, the Principal, upon authorization and proper documentation by the teacher.

A student of legal age or parent/guardian who requests a course grade change shall utilize the following procedure:

1. The student/parent must complete and submit to the Principal a signed, written “Grade Change Request” form stating reasons for the course grade change request, within **five days** of receipt of the course grade.
2. Upon request, the student/parent will be permitted to review any available records and documents belonging to the student related to the determination of how the grade was awarded.
3. The Principal will consult with the teacher to determine if there has been any clear mistake or clerical error, or if there has been any misidentification of the student.
4. In further consultation with the teacher, the Principal will determine if a change in final course grade is merited for any other justifiable reason, such as extenuating circumstances articulated and demonstrated by the student/parent, additional graded work submitted by the student, additional or make-up testing, or other meaningful criteria that can be verified.
5. The teacher who issued the course grade shall provide to the Principal his/her reasons to support or oppose the requested grade change and shall not be pressured into or retaliated against for making a certain recommendation.
6. As part of fact-finding, the Principal will meet with the student/parent and the teacher, together or separately, to determine the validity of the student’s/parent’s request.
7. A written, signed response which includes the Principal’s findings and decision will be provided to the student/parent within five days of the meeting. The response shall include whether the request is denied or allowed and the grade entered if allowed. If a grade change is allowed, the Principal’s response shall articulate the reasons and basis for the grade change.
8. The Principal will be the final determinant of the decision.
9. If the Principal decides that a grade change is merited, in addition to the student or parent, the Principal shall comply with any NMPED notification requirements.
10. If the Principal decides that a course grade change is merited for a particular student, the grade change must be equally available and applied to all students who are similarly situated.
11. The “Grade Change Request” form and a copy of the Principal’s decision shall be placed in the student’s permanent cumulative record file. The student/parent may request of the Principal that the documents be removed and destroyed

upon the student transferring or graduating from the school. The Principal has full discretion in complying with the student's/parent's request.

Due to the urgent nature of determining whether a grade change is merited, the timelines established herein shall be considered maximums.

South Valley Preparatory School shall strictly adhere to FERPA in administering this Grade Change Policy. Under no circumstances will the identity of the student involved in the grade change request be made known publicly, and confidentiality involving the request and the identity of the student will be maintained among those personnel involved in addressing and processing the grade change request. Additionally, the identity of any other students whose grades may be used for comparison purposes shall not be disclosed publicly, or to the student/parent making the grade change request. Adherence to FERPA requirements and regulations regarding student records and information shall be required of all school personnel.

This Grade Change Policy in no way limits or eliminates the rights afforded to parents under federal regulations 34 CFR Sections 300.618 through 300.621 under the Individuals with Disabilities Education Act, and 34 CFR Sections 99.20 through 99.22 under FERPA, both as they relate to amendment of a student's educational records.

SCHOOL TECHNOLOGY USE POLICY

At SVP our students have access to many valuable instructional technology tools as well as Internet access for educational purposes. Our goal is to teach students to utilize these electronic resources to enhance our school's instructional goals. SVP has taken precautions to ensure that students are using the Internet and other electronic resources for appropriate educational means. Student use of the Internet and multimedia resources will be supervised by an adult at all times. However, we cannot guarantee that students will refrain from locating inappropriate sources.

GENERAL RULES FOR STUDENT USE

- Student use of instructional media must be in support of grade appropriate school instruction.
- Students will use respect and show proper care and handling of all equipment. Any student found to be intentionally damaging any software or hardware will be cited for school property abuse and the student's parent or guardian will be financially responsible for any damages.
- Students are expected to respect and not attempt to by-pass security in place on computers. Changing or attempting to change a computer's settings is a violation of acceptable use of our equipment.
- Students will observe software copyright laws. No students will bring software from home to copy on school workstations, nor will students copy school software for personal use.
- When using the Internet, students' actions will be closely supervised. They will be held responsible for information viewed, received, and sent.

Attached to this Parent Student Handbook is the "SVP Technology Acceptable Use Agreement Form" that you and your student will be required to sign before your student will be permitted to use SVPS technology and related equipment.

Violation of the computer use policy may result in a student losing his/her privileges, and/or student disciplinary action.

NO EXPECTATION OF PRIVACY

School equipment and network spaces are analogous to student desks or lockers and may be inspected when network maintenance becomes necessary or if students are suspected of abusing access rights, and to ensure compliance with SVP policy and applicable laws and regulations.

SOUTH VALLEY PREPARATORY SCHOOL Technology Acceptable Use Agreement Form

Computers and technology are used to support learning and enhance educational instruction. Computer networks and telecommunications allow people to access information from other computers in different locations. It is a general policy that all computers and other technology equipment used at SVP are to be used in a responsible, efficient, ethical, and legal manner. Failure to adhere to this policy and the guidelines established below shall result in the revocation of access privileges and/or disciplinary actions involving local, county, state, or federal agencies. A student's use of a computer at SVP is not subject to privacy protections.

The Internet, a network of networks, allows users to interact with millions of other people using computers that are also connected to the Internet. It is the belief of SVP that the educational benefits to students and teachers through access to various online services and the Internet far exceed any potential disadvantages. The majority of sites accessed can provide a wealth of educational opportunities. It is the intent of SVP to provide access to such services to further the educational goals and objectives of SVP and is in full compliance with the Children's Internet Protection Act. However, parents should be aware that students using telecommunications have the potential to

access unacceptable sources if they disobey or disregard school rules and guidelines. Even through the vast majority of Internet sites provide useful information, some sites may contain information that is offensive, defamatory, sexually oriented, or inaccurate. The intent of SVP is for technology resources to be used as a valuable educational tool.

PARENT GRIEVANCE POLICY : REGARDING STUDENTS

SVP encourages parents/guardians to attempt to resolve unsatisfactory situations concerning their student at the lowest possible level. However, it is recognized that sometimes an intermediary is helpful for both sides to move beyond an impasse. Therefore, the following policy is provided for resolving situations that are **not otherwise covered by other formal dispute resolution processes** (for example, this grievance process is not applicable to . student suspensions, special education matters or discrimination/harassment complaints, etc).

Step 1. Speak and/or meet with the person (teacher, staff, or administrator) with whom there is a concern.

Step 2. If a resolution cannot be reached at this level, then the parent or guardian may contact the person's supervisor (likely the Principal) and request a meeting with the supervisor and the other SVP employee with whom there is a disagreement. (If it is the principal with whom there is a disagreement, then move to Step 3.)

Step 3. If a resolution cannot be reached at Level 2, or the issue is with the Principal, then the parent/guardian should submit a written complaint to the Governing Council President requesting a meeting with the Governing Council or its designated committee in closed session. Note - matters concerning a student or employee dispute will not be addressed in an open meeting, unless specifically requested by the parent/employee in writing.

The Governing Council or its designated committee will schedule a meeting with the parent/guardian and all SVP employees concerned as soon as practical after the complaint is received by the President. The Governing Council may designate a committee to hear and issue a decision regarding the concern. The Governing Council or its designated committee will be the final step in process to address the concern. Consideration of student matters shall be conducted in closed session. When reaching its decision, the Governing Council or its designated committee will take into consideration the best interest of the student and the mission, goals and policies of SVP.

GRIEVANCE POLICY: TO ADDRESS OTHER MATTERS

1. *Initial inquiry* - Inquiries or concerns from a community member, parent or student regarding a specific SVP staff member, policy or program (NOT A STUDENT) should first be directed to the staff member involved or responsible for such policy or program. If a community member, parent or student (hereinafter "community member") is not sure who is the responsible staff member, or, if the community member has an inquiry or concern of a broad nature, the community member should contact the Principal for clarification on the steps to follow. (Note: Grievances by School employees follow a separate Employee Grievance Policy/Process: see Employee Handbook)

2. *Initial Grievance Process*- If the community member feels the issue has not been satisfactorily handled at the individual staff member level, the issue may be referred to the Principal. After a meeting between the community member and the Principal, the Principal will prepare a written summary of attempt to resolve the community member's concern of the matter is not resolved. A copy will be promptly provided to the community member. If the community member feels the issue has not been satisfactorily resolved at the administrative level the community member may take the issue to the SVP Governing Council for disposition.

3. *Governing Council Review* - The Governing Council, in its sole discretion, may decide whether any particular issue submitted to them is appropriate for Governing Council intervention. Typically, the Governing Council will NOT review administrative decisions regarding the following: student discipline less than a long term suspension or expulsion, student placements (in special education or regular education classes), complaints about a staff member's performance (except the Principal), matters particularly within the expertise of the educational staff and administration, matters

subject to a different formal review process. The following procedure shall be followed for any Governing Council Review granted:

1. The community member may submit his/her grievance in writing to the SVP Governing Council within five days of receiving the Principal's statement concerning the good faith effort to resolve the dispute.

2. The letter must be in writing, signed by the community member and delivered to the Governing Council at the school. A copy of the Principal's statement should be enclosed.

3. If the community member does not submit a written grievance within five days from the date the written summary prepared by the administrator is delivered to the community member, the grievance will be deemed "resolved."

4. The grievance submitted to the Governing Council should include specific reasons why the community member is not satisfied with the Principal's decision, any specific school policy that the member believes has been violated, and any other relevant information and documentation that supports the grievance. The written grievance must be dated and signed by the person submitted the complaint.

5. The Governing Council will decide at the first meeting immediately following receipt of the written grievance whether it will hear the matter, and if it agrees to hear the matter, it will schedule a time for the meeting, which shall not be unreasonably delayed. Depending on the substance of the complaint, the Governing Council will also decide whether the grievance shall be heard as an informal meeting of the concerned parties with a Council member present as mediator, an informal hearing with each party being allowed to present his/her side of the story, or any other procedure the Governing Council deems appropriate.

6. SVP Governing Council members who are interested parties or who may have an actual or apparent conflict of interest shall disclose such conflict and be excused from the grievance meeting if the Governing Council deems the excusal necessary to provide the complaining community member a fair consideration of the grievance.

7. Any meeting or hearing concerning a matter that relates to personnel issues, that is confidential, or that implicates an individual's privacy rights will be held in a closed meeting in accordance with the Open Meetings Act, unless written permission by the affected individual is obtained prior to the meeting.

8. A decision will be established by a majority vote of the members of the SVP Governing Council hearing the issue. The SVP Governing Council may designate a committee of the Governing Council to meet with or conduct the hearing. Any final action required to be taken by the Governing Council will be made after the committee's recommendation is presented to the full Governing Council.

9. If additional information or investigations are necessary after the initial meeting or hearing, the meeting or hearing may resume as soon as is practical after further information has been gathered or an investigation has been conducted. The Governing Council will issue a final written decision regarding the grievance. The decision of the Governing Council is final.
