About Weather-Related Delays and Asynchronous Learning

South Valley Preparatory School has moved to asynchronous learning on days that the school is closed due to inclement weather. What this means is that rather than getting a day off from school, SVP students will be expected to complete lessons at home. Students should check-in with their Reading Teacher via Google Meets from 8:00am – 10:00am. Links for each teacher's office hours is located on the [Student Portal section](#) of the school website. The **8:00am – 10:00am** time slot are office hours with a live teacher, which is a great opportunity for students to ask questions or receive help directly from the instructor. A link to speak with the school counselor is also available.
